TO THE HONORABLE MICHAEL E. WILES,

The Debtors' principal offices are located at 1000 Westinghouse Drive, Cranberry Township, Pennsylvania 16066.

Westinghouse Electric Company LLC (“**WEC LLC**”) and certain debtor affiliates, as debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the “**Debtors**”) respectfully represent as follows in support of this application (the “**Application**”):

Background

1. On March 29, 2017 (the “**Petition Date**”), each Debtor commenced with this Court a voluntary case under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”). The Debtors are authorized to continue to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No trustee, examiner, or statutory committee of creditors has been appointed in these chapter 11 cases.

2. The Debtors’ chapter 11 cases are being jointly administered for procedural purposes only pursuant to Rule 1015(b) of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”).

3. On April 7, 2017, the United States Trustee for Region 2 appointed the Official Committee of Unsecured Creditors pursuant to section 1102 of the Bankruptcy Code.

4. Additional information regarding the Debtors’ business, capital structure, and the circumstances leading to the commencement of these chapter 11 cases is set forth in the Declaration of Lisa J. Donahue Pursuant to Rule 1007-2 of the Local Bankruptcy Rules for the Southern District of New York, sworn to and filed on the Petition Date [ECF No. 4].

Jurisdiction

5. This Court has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157(a)–(b) and 1334(b) and the Amended Standing Order of Reference M-431, dated January

31, 2012 (Preska, C.J.). This is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

Relief Requested

6. By this Application, pursuant to sections 327(e) and 328(a) of the Bankruptcy Code, Bankruptcy Rules 2014(a) and 2016, and Rule 2014-1 of the Local Bankruptcy Rules for the Southern District of New York (the “**Local Rules**”), the Debtors request authority to employ and retain K&L Gates LLP (“**KLG**” or the “**Firm**”) as their special counsel for those certain matters pursuant to the terms of the engagement letter dated as of June 1, 2017 (the “**June 1, 2017 Engagement Letter**”), including the alternative fee arrangement entered into on August 18, 2016 by and between WEC LLC and KLG (the “**KLG AFA**”), *nunc pro tunc* to the Petition Date.

7. A proposed form of order granting the relief requested herein on a final basis is annexed hereto as **Exhibit A** (the “**Proposed Order**”), and a true and correct copy of the June 1, 2017 Engagement Letter is annexed thereto as **Exhibit 1**.

8. In support of this Application, the Debtors submit the declaration of Richard W. Hosking, a partner of KLG, annexed hereto as **Exhibit B** (the “**Hosking Declaration**”) and the declaration of Lisa J. Donahue, the Debtors’ Chief Transition and Development Officer, annexed hereto as **Exhibit C** (the “**Donahue Declaration**”).

KLG's Qualifications and Services

9. KLG has a longstanding relationship with the Debtors, having represented them in a variety of matters over a period of many years. In particular, KLG has represented WEC LLC and/or its affiliates since 1986, as the company has existed through various corporate iterations, in numerous capacities and across a broad range of substantive practice areas.

10. As of the Petition Date, KLG had six (6) currently active matters open for WEC LLC. Those engagements consist of include European Union regulatory and trade advice; internal investigations; insurance coverage matters and advice; general corporate law counseling; and defense of various litigation matters (collectively, the “**KLG Existing Matters**”). In addition, from time to time, KLG represents WEC LLC and/or its affiliates with other matters, including: mergers and acquisitions; labor and employment claims; advice and representation in government enforcement and regulatory matters and claims; antitrust advice; nuclear waste disposal issues; international product regulation advice; and advice regarding fuel sales. It is possible that such engagements could arise during the course of these chapter 11 cases.²

11. KLG is a global law firm with approximately 2,000 lawyers on five continents, including a full-service office in Pittsburgh, Pennsylvania, where many of the Debtors’ assets are located, and can provide the personnel and resources necessary to work in an efficient and cost-effective manner on behalf of the Debtors’ estates.

12. The Debtors require and will continue to require KLG’s services with respect to the KLG Existing Matters, and such other matters for which the Debtors request KLG’s services, throughout these chapter 11 cases. However, KLG will not serve as the Debtors’ general bankruptcy counsel and will not advise the Debtors or their estates with respect to their duties under the Bankruptcy Code.

13. As a result of KLG’s knowledge and experience serving the Debtors for many years, KLG is uniquely qualified and able to represent the Debtors in this regard in a cost-

² By this Application, the Debtors seek authorization from this Court to employ KLG in connection with both the Existing Matters and any new matters upon the same terms as set forth in this Application, which may arise during these chapter 11 cases. In compliance with the United States Trustee’s Appendix B Guidelines, KLG has prepared a budget and staffing plan that projects anticipated hours and fees for the Existing Matters and will prepare a budget and staffing plan for each additional matter that may arise during these chapter 11 cases.

effective, efficient and timely manner. If the Debtors are required to retain different counsel for the KLG Existing Matters, the Debtors will have to expend significant resources and expense in ensuring that new counsel become familiar with the Debtors' business affairs and the KLG Existing Matters.

14. Mr. Hosking, who, as noted, is a partner of KLG, will be leading KLG's engagement as special counsel and overseeing and managing the matters on which KLG is engaged. Mr. Hosking will be assisted by other partners and associates of the firm, all of whom are members in good standing of the various state and federal courts to which they have been admitted to practice.

Professional Compensation

15. The Debtors understand and have agreed that KLG hereafter will apply to the Court for allowances of compensation and reimbursement of expenses in accordance with General Order M-412 (Order Establishing Procedures for Monthly Compensation and Reimbursement of Expenses of Professionals, dated December 21, 2010 (Gonzalez, C.J.)), Administrative Order M-447 (Amended Guidelines for Fees and Disbursements for Professionals in Southern District of New York Bankruptcy Cases, dated January 29, 2013 (Morris, C.J.)), sections 330 and 331 of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, the guidelines of the United States Trustee and any further orders of the Court (the "**Orders**") for all professional services performed and expenses incurred after the Petition Date.

16. Subject to the provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and the Orders, the Debtors propose to compensate KLG for services rendered in accordance with the June 1, 2017 Engagement Letter, including the KLG AFA, as described in the Hosking Declaration, and to reimburse KLG according to its customary reimbursement

policies. The fee rates described in the Hosking Declaration are blended rates by timekeeper category regardless of the timekeeper's geographic location, and represent an agreed discount over KLG's ordinary local rates. The Debtors respectfully submit that KLG's rates and policies stated in the Hosking Declaration are reasonable.

17. As set forth in the Hosking Declaration, during the 90-day period prior to the Petition Date, KLG received payments in the amount of \$4,664,529.00 for services performed and expenses incurred in connection with KLG's representation of the Debtors prior to the Petition Date.

18. As of the date of this Application, KLG holds a retainer in the amount of \$870,330.00, subject to the approval of the Court as to any use of the retainer to pay KLG's fees and expenses. This retainer is comprised of the following amounts:

- \$750,000.00, which KLG received on March 27, 2017 in connection with anticipated representation of the Debtors during these chapter 11 cases;
- \$48,002.00, which KLG received on March 28, 2017 and which KLG determined was received in connection with invoices that previously had been paid; and
- \$72,328.92, which KLG received as an estimate for services rendered between March 1, 2017 and March 28, 2017 and which, upon reconciliation, KLG determined was in excess of the actual amount due for those services.

Efforts to Avoid Duplication of Services

19. In addition to this Application, the Debtors have filed applications to employ: (i) Weil, Gotshal & Manges, LLP, as attorneys for the Debtors; (ii) PJT Partners LP, as investment banker; (iii) AP Services, LLC, and designate Lisa Donahue as the Debtors' Chief Transition and Development Officer; (iv) Kurtzman Carson Consultants LLC, as claims and

noticing agent and administrative advisor; and (v) Togut, Segal & Segal LLP as counsel to Debtor Toshiba Nuclear Energy Holdings (UK) Limited. The Debtors may also file applications to employ additional professionals. Rather than resulting in any extra expense to the Debtors' estates, it is anticipated that the efficient coordination of efforts of the Debtors' attorneys and other professionals will greatly add to the progress and effective administration of these chapter 11 cases. The Debtors intend to carefully monitor and coordinate the efforts of all professionals retained by the Debtors in these chapter 11 cases, including any conflicts counsel, and will delineate their respective duties so as to prevent duplication of services whenever possible.

No Material Adverse Interest

20. To the best of the Debtor's knowledge, and based upon the Hosking Declaration, KLG does not represent or hold any interest adverse to the Debtors or its estates with respect to the matters on which KLG is to be employed. Further, to the best of the Debtors' knowledge and based on the Hosking Declaration, KLG does not have any connection with any creditor or other parties in interest, their respective attorneys or accountants, or the U.S. Trustee or any of its employees, except as set forth in the Hosking Declaration. The Debtors are advised that KLG will conduct an ongoing review of its files to ensure that no conflicts or other disqualifying circumstances exist or arise. The Debtors are advised that if any new facts or circumstances are discovered, KLG will supplement its disclosure to the Court.

Basis for Relief Requested

21. Bankruptcy Code section 327(e) provides:

The trustee, with the court's approval, may employ, for a specified special purpose, other than to represent the trustee in conducting the case, an attorney that has represented the debtor, if in the best interest of the estate, and if such attorney does not represent or hold any interest adverse to

the debtor or to the estate with respect to the matter on which such attorney is to be employed.

22. Under Bankruptcy Code section 327(e), four requirements must be met in order for counsel's retention by a debtor-in-possession to be approved: "(1) the representation is in the best interest of the estate, (2) the attorney represented the debtor in the past, (3) the attorney is for a specific purpose approved by the court, other than to represent the debtor in conducting the case, (4) the attorney does not represent or hold an interest adverse to the debtor or the debtor's estate." *Stapleton v. Woodworkers Warehouse, Inc. (In re Woodworkers Warehouse, Inc.)*, 323 B.R. 403, 406 (D. Del. 2005) (citations omitted). For reasons explained more fully, *supra*, KLG satisfies the first three of these requirements because (1) it is uniquely qualified and able to represent the Debtors in this regard in a cost-effective, efficient and timely manner and the Debtors would have to expend significant resources and expense if required to search for and retain new counsel; (2) KLG has represented the Debtors in the past, and (3) the Debtor proposes to retain KLG only with respect to the KLG Existing Matters, which will not overlap with services to be provided by the Debtors' proposed general bankruptcy counsel, Weil, Gotshal & Manges, LLP.

23. Additionally, KLG meets the fourth requirement because it does not represent or hold an interest adverse to the Debtors or the Debtors' estates with respect to the KLG Existing Matters. To qualify for retention as special counsel under Bankruptcy Code section 327(e), an attorney does not need to be a "disinterested person" (as required under section 327(a)) but simply must "not represent or hold any interest adverse to the debtor or to the estate with respect to the matter on which such attorney is to be employed." 11 U.S.C. § 327(e) (emphasis added). Thus, "where employment is sought only for specific limited purposes,

§ 327(e) not only eliminates the disinterestedness requirement for a professional who has formerly represented the debtor, but also narrows the conflict of interest issue to one of factual evaluation of actual or potential conflicts only as related to the particular matters for which representation is sought.” *In re Statewide Pools, Inc.*, 79 B.R. 312, 314 (Bankr. S.D. Ohio 1987).

24. To the best of the Debtors’ knowledge, based upon the Hosking Declaration, KLG represents no interest adverse to the Debtors’ estates with respect to the KLG Existing Matters. Moreover, KLG has never represented, does not currently represent, and will not represent any client other than the Debtors with respect to the KLG Existing Matters. Entities and individuals that, to the best of the Debtors’ knowledge, may be potential parties in interest in these chapter 11 cases and that KLG has previously represented, currently represents, and may represent in the future in matters unrelated to the Debtors, these chapter 11 cases or the KLG Existing Matters are identified in **Exhibit 2** to the Hosking Declaration.

25. The Debtors believe that the employment of KLG is necessary and in the best interests of the Debtors and their estates.

Notice

26. Notice of this Application will be provided in accordance with the Order Pursuant to 11 U.S.C. §105(a) and Fed. R. Bankr. P. 1015(c), 2002(m), and 9007 Implementing Certain Notice and Case Management Procedures [ECF No. 101]. The Debtors submit that, in view of the facts and circumstances, such notice is sufficient and no other or further notice need be provided.

27. No previous request for the relief sought herein has been made by the Debtors to this or any other Court.

WHEREFORE the Debtors respectfully request entry of the Proposed Order granting the relief requested herein and such other and further relief as the Court may deem just and appropriate.

Please review this letter carefully. If it is not consistent with your understanding of our engagement in any respect or if you have any questions concerning the nature and terms of our engagement, please contact me as soon as possible so that we can promptly address your concerns.

The Scope of Our Engagement

The Firm is being engaged to act as counsel solely for WEC and the affiliates identified on the attached schedule and not for any shareholder, partner, member, manager, director, officer, or employee not specifically identified herein.

We understand that we are to continue to represent WEC in connection with those matters for which K&L Gates had been engaged prior to March 29, 2017, when WEC and the affiliates identified on the attached schedule commenced voluntary cases under chapter 11 of title 11 of

the United States Code, and to address those additional matters for which the Firm expressly agrees or has agreed to provide representation.

K&L Gates will provide only legal services. We have not been retained, and expressly disclaim any obligation, to provide business or investment advice.

Our Charges

Our statements for professional services will be substantially based upon the amount of time spent by lawyers, paralegals, and other professionals who perform services on your behalf and their respective hourly rates as in effect in the WEC AFA. Our charges for fees, disbursements, and other charges and the basis for our invoices are addressed in more detail in the WEC AFA and the Terms.

Our Billing and Payment Arrangements

We will generally render statements for professional services and related charges on a monthly basis and expect payment to be made within 30 days of your receipt of our statement, without regard to the consummation or outcome of the matter for which we have been engaged. In the event our statements are not timely paid, we reserve the right to suspend our services until satisfactory payment arrangements are made or to terminate our services if such arrangements are not made and if such termination is otherwise appropriate. You may, of course, terminate our services at any time.

Our Staffing of Your Engagement and Communications with You

I will be your principal contact with respect to the Firm's representation of WEC.

Our representation of you will be staffed by other partners, associates and other professional staff as may be appropriate under the circumstances. We will endeavor to keep you apprised of significant developments in the course of our engagement, to consult with you about our work on an ongoing basis and to obtain your direction on critical issues.

You should contact me with any questions you may have about our work or any other aspect of our representation of you. You can reach me at the office 412-355-8612 or on my mobile telephone 412-596-6796 at your convenience.

Conflicts of Interest

We have searched the Firm's conflicts database and have disclosed to you any ethical conflicts of interest, as defined by the applicable rules of professional conduct, that existed at the time. Such conflicts, if any, have been resolved to your and to our satisfaction. With respect to conflicts of interest that may arise in the future during our engagement by you, the Terms include a Conflict of Interest section in which you agree to a limited, prospective waiver. This

means that, if all the conditions set forth therein are met, and provided that the matter is not substantially related to the matters we handled or are handling for you, the Firm 1) may represent another client in a matter in which its interests are adverse to your interests, and 2) may represent as a client any individual or entity that is or has been adverse to you. Please review this section, as well as all other sections of the Terms, in detail.

Our Agreement

In providing legal services to you, absent timely advice from you to the contrary, we will act in reliance upon the understanding that this letter and the Terms constitute our mutual understanding with respect to the terms of our retention. If you proceed with the use of our services, please sign and return to me the enclosed copy of this letter in order that we each have a fully-executed copy for our files.

On behalf of K&L Gates, I thank you for the continued opportunity to represent WEC. We look forward to serving you.

Very truly yours,

Richard W. Hosking

Thank you for selecting K&L Gates LLP ("K&L Gates") to represent you and to provide legal services as described in our engagement letter. These Terms of Engagement for Legal Services (the "Terms"), together with our engagement letter, set forth the basis upon which K&L Gates will provide legal services to you. Absent a contrary agreement between us, we will understand that our engagement letter and these Terms supersede any prior oral understandings between us and together form the contract ("Engagement Contract") for our initial engagement and any subsequent assignments upon which you and we may mutually agree.

We believe it is important to establish clearly the basic terms of our engagement at the outset. Accordingly, if you have any questions concerning these Terms, please contact the lawyer responsible for your engagement so that your questions or concerns may be addressed and resolved promptly.

OTHER K&L GATES ENTITIES

You agree that, as your agent, we may engage other K&L Gates entities to assist us in carrying out our engagement, where appropriate and with notice to you.

Numerous countries in which our offices are located have enacted Anti-Money Laundering ("AML") laws. If K&L Gates lawyers in any of these offices are engaged to assist you in matters within the scope of our engagement, it will be necessary to comply with the applicable AML laws. In connection therewith, we or lawyers from the appropriate office may be required to obtain additional, specific evidence of client identity from you and/or to report certain transactions to the authorities. If these AML requirements are applicable, you will be informed of the details needed for compliance.

OUR LAWYER-CLIENT RELATIONSHIP

The Firm has been engaged to represent only the client(s) named in our engagement letter ("you" or the "Client"), even if someone other than you, including an insurer, is responsible for paying, or has agreed to pay, our statements. Accordingly, absent a specific, separate engagement to represent such other persons or entities, (1) if our Client is an individual, the Firm has not agreed to represent, and is not representing, any other person or any affiliated entity; (2) if our Client is a corporation, partnership, joint venture or other entity, the Firm has not agreed to represent, and is not representing, any of your constituents, including directors, officers, employees, managing agents, partners, members, shareholders, affiliates (including parents and subsidiaries) or other persons associated with you; and, (3) if our Client is a trade association or other member organization, the Firm has not agreed to represent, and is not representing, any director, officer, member of or other entity represented by you or any of your other constituents.

In addition, the Firm's engagement to represent you is limited to the matter(s) described in our engagement letter and to any additional matters for which the Firm expressly agrees to provide legal representation.

You acknowledge that the Firm has not provided you with legal advice concerning the terms and conditions of our Engagement Contract.

OUR CHARGES FOR LEGAL SERVICES

A. Legal Fees

Our statements for professional services will be substantially based upon the time spent by professionals, including lawyers, paralegals and other staff members operating under the supervision of lawyers, who perform services on your behalf. The hourly rates for those individuals are based upon their experience and vary by office across the Firm. Time spent on your matters will include meetings with you and others; traveling; considering, preparing and working on documents, pleadings and other papers; written and electronic correspondence; and, making and receiving telephone calls. Whether or not a matter proceeds to completion, our statements will include all work done and all expenses incurred, unless otherwise agreed.

Our hourly rates are periodically reviewed and adjusted. In preparing our statements for professional services, we will use our hourly rates in effect when our services were rendered.

Information regarding standard hourly rates and other charges established by the Firm is proprietary to the Firm. You agree not to disclose such information to third parties without the Firm's prior written consent. In the event that you are served with a demand or legal process that you believe requires you to disclose such information, you agree to notify the Firm immediately of such demand or process, and to reasonably cooperate with the Firm in protecting the Firm's proprietary information from disclosure without the Firm's consent.

Where requested, we may provide you an estimate of the overall costs that may be incurred in connection with a particular engagement. Any such estimate is necessarily based on a number of uncertain factors and future developments and may be influenced by your decisions and by the actions of third parties. Accordingly, any estimate we provide shall not constitute a promise or agreement that we will render the necessary services within a specific time or for a specific amount. The Firm's statements for professional services will be based on the Firm's billing policies, as set forth herein, and the charges reflected in such statements may vary from any estimates previously given.

B. Disbursements

You will be billed for disbursements and other charges relating to our professional services. With respect to disbursements incurred on your behalf to vendors and other third parties for incidental expenses (such as filing fees and travel expenses), you will be billed at our invoiced cost. With respect to internally-generated and other charges (such as

photocopying and facsimile transmissions), you will be billed in accordance with our Schedule of Standard Charges in effect when the charge is incurred. Our current Schedule is attached to these Terms. Where the nature of our engagement requires the retention of third parties (e.g., expert witnesses, accountants, actuaries or other consultants, mediators or arbitrators), we will obtain your approval for such retention, and we will forward their statements for services and expenses directly to you for payment.

C. Other K&L Gates Entities Charges

Where, with notice to you, we have engaged another K&L Gates entity to assist us in our representation of you, we will include their charges in our statement for professional services unless you ask us to arrange for the other K&L Gates entity to invoice you separately.

OUR BILLING AND PAYMENT ARRANGEMENTS

A. Billing

It is our general practice to render statements for professional services and related charges on a monthly basis. We will send a final statement after completion of our work.

You have agreed to send us an advance payment of \$750,000.00. We will deposit and hold that advance in a separate trust account. Our statements for professional services and related charges, as described in these Terms, will be presented to you and will be payable upon presentation. When our engagement is concluded or our services are terminated, you authorize us to withdraw funds from that account to pay any outstanding balance due at that time. We shall refund to you any amount remaining after the application of the advance to any outstanding balance. Should the scope of our engagement change significantly, we may request an additional advance before performing additional services.

B. Payment

We will expect payment to be made within thirty days after your receipt of our statement, without regard to the consummation of any proposed transaction or the outcome of any matter. Payment should be made by you in the full amount of our statement and you will be responsible also for any withholding tax or other deduction that may be chargeable to you by the relevant taxing authorities or by a governmental entity. In the event our statements are not paid in a timely manner, we reserve the right to defer further work on your account and, where such arrearage is not resolved after notice of delinquency is given to you, to terminate our representation of you. Under such circumstances, you agree to consent to,

and not oppose, such termination and to sign a substitution of counsel and/or such other document as may be reasonably necessary to effect the Firm's termination of our lawyer-client relationship, including the Firm's withdrawal of its prior appearance in any court or other litigated proceeding. The termination of our lawyer-client relationship shall not affect your ongoing responsibility for any fees or other charges incurred as of the date of our notice of termination.

C. Third Party Payment Responsibility

If a third party (including an insurer) undertakes to pay any portion of the Firm's bills, 1) you will remain responsible for payment of any amounts billed by the Firm and not paid by that third party, 2) you hereby consent to the application of those funds to the outstanding balance of your account with the Firm and waive any right you might otherwise have to direct us to pay or apply those funds in any other fashion, and 3) to the extent any such third party makes payment to us on your behalf accompanied by directions as to what portion of outstanding fees and expenses are to be covered by such payment, you hereby consent to us adhering to those directions and waive any right you might otherwise have to direct us to pay or apply those funds in any other fashion. If you are awarded legal fees or costs by a court or other party, you will remain responsible for payment of the Firm's billed fees and other charges, even if the award to you is less than the amounts we have billed you. Where we have agreed to represent multiple clients in a matter, each client will be jointly and severally responsible for payment of the Firm's statements.

D. Questions

If you have any questions about any statement that we submit to you, you should contact the lawyer responsible for your engagement as soon as you receive it so that we may understand and address your concerns promptly.

TERMINATION

A. Your Right to Terminate

You may terminate our engagement on any or all matters at any time, with or without cause. Your termination of our services will not affect your responsibility to pay for billed and unbilled legal services rendered or other charges incurred as of the date of termination and; where appropriate, for such expenses as we may incur in effecting an orderly transition to successor lawyers of your choice.

B. Our Right to Terminate

Subject to any applicable ethical rule or legal requirement, the Firm reserves the right to terminate

its representation of you, subject to such permission from any court or tribunal as may be required under the circumstances. In such event, we will provide you with reasonable notice of our decision to terminate and afford you a reasonable opportunity to arrange for successor lawyers, and we will assist you and your successor lawyers in effecting a transition of the engagement. Reasons for the Firm's termination may include your breach of our Engagement Contract including, without limitation, failure to pay outstanding statements in a timely manner as set forth above, the risk that continued representation may result in our violation of applicable rules of professional conduct or legal standards or of our obligations to any tribunal or third parties, your failure to give us clear or proper direction as to how we are to proceed or to cooperate in our representation of your interests, or other good cause.

C. Termination Upon Conclusion

Unless it is previously terminated, our representation of you, and our lawyer-client relationship with you, will be deemed to have been terminated upon the conclusion of our services and our delivery of our final statement for the services described in our engagement letter and any additional matters for which the Firm has expressly agreed to provide representation.

D. Post-Engagement Matters

After the conclusion or termination of our representation of you as described in our engagement letter and these Terms, changes in relevant laws, regulations or decisional authorities may affect your rights and obligations. Unless you engage the Firm to provide future services and to advise you with respect to any issues that may arise in the future as a result of such changes, we will have no continuing obligation to advise you with respect to future legal developments.

OUR COMMUNICATIONS WITH CLIENTS

The Firm's lawyers strive to keep our clients reasonably informed about the status of our engagements and promptly to comply with reasonable requests for information. To enable us to provide effective representation, you agree to be truthful and to cooperate with us in the course of the engagement and to keep us reasonably informed of material developments.

If there are particular limitations on how you would like us to communicate with you, please advise us in advance about your preferences. Unless you advise us to the contrary, however, we will assume that communication by e-mail and fax is acceptable to you. Absent special arrangements, we do not employ

encryption technologies in our electronic communications.

CONFIDENTIALITY

A. Confidentiality and Disclosure

We owe a duty of confidentiality to all our clients. Accordingly, you acknowledge that we will not be required to disclose to you, or use on your behalf, any documents or information in our possession with respect to which we owe a duty of confidentiality to another client or former client.

B. Disclosure to Certain Third Parties

You agree that we may, when required by our insurers, auditors or other advisers, provide details to them of any matter or matters on which we have represented you.

C. Disclosure to Other K&L Gates Entities

You agree that we may disclose confidential information relating to you, or any matters on which we are representing you, to other K&L Gates entities.

D. Data Protection

Any information, including personal data, that K&L Gates collects in our global legal practice may be controlled, stored and processed in, and transferred among, any of our offices and with such contractors as we engage to assist us in our practice, and may be transferred to and through any country, including countries that may not have privacy (data protection) legislation and regulations comparable, for example, to countries in the European Economic area. The location of our offices and of such contractors may change from time to time, and we may acquire offices and engage contractors in other countries at any time. We understand that, in engaging the Firm, you expressly consent to all such control, storage, processing and transfers.

CONFLICTS OF INTEREST

The Firm's lawyers, acting in a variety of practice areas and in multiple jurisdictions, provide and will provide legal services to thousands of current clients and future clients. Those clients may be competitors, customers, suppliers or have other business dealings and relationships inter se. As a result, those clients may have matters in which their interests are actually or potentially adverse to one another.

In these circumstances, the Firm's ability 1) to represent you in any matter involving, directly or indirectly, another client, and 2) to represent as a client any individual or entity that is or has been

adverse to you will be governed exclusively by applicable rules of professional conduct, unless otherwise agreed to by you and the Firm and, as appropriate, any other Firm client. To allow the Firm to represent both you and other current and future clients in pending or future matters to the fullest extent consistent with applicable ethical restrictions, we request our clients to agree to a limited waiver of certain actual or potential conflicts of interest.

Specifically, by this engagement, (1) you agree that the Firm can represent other clients whose interests are actually or potentially adverse to you and can represent as a client any individual or entity that is or has been adverse to you, provided that: (a) the matter is not substantially related to any current or concluded matter in which the Firm has represented you; (b) in carrying out any such other representation, the Firm shall not violate the duty of confidentiality that we owe to you; and, (c) prior to undertaking the other representation, the Firm has reasonably concluded, in the existing circumstances, including this consent, that the Firm can provide competent and diligent representation to you and each other affected client and that the other representation complies with applicable ethical standards; and, (2) you agree that you will not seek to disqualify us from representing other clients with respect to any matters where such provisos are satisfied.

You further agree that, if you choose to withdraw your consent to the Firm's representation of another client in any such other representation, you will, at our request, engage other counsel, and, after any brief and reasonably necessary transition period (for which we will not bill you), you will permit us to terminate our representation of you unless any rule or statute or tribunal with jurisdiction precludes us from doing so.

We have a large and diverse transactional patent practice. You agree that no conflict of interest is presented when, on behalf of other Firm clients, we render patentability, infringement and validity opinions regarding, and advance patentability arguments over, patents and/or patent applications owned, licensed or controlled by you, but not handled by our law firm.

We also have a large and diverse transactional trademark practice. You agree that no conflict of interest is presented when, on behalf of other Firm clients, we render registrability, infringement and validity opinions regarding, and advance registrability arguments over, registered or unregistered trademarks and/or trademark registration applications owned, licensed or controlled by you, but not handled by our law firm.

Finally, you agree that, for the purposes of determining whether any conflict may exist, only the client(s) identified in our engagement letter, and not

any affiliated entity or person, shall be considered our client.

OPPOSING LAWYERS

In addition to our representation of business and not-for-profit entities as well as individuals, we also regularly serve as legal counsel to lawyers and law firms. From time to time, we engage other lawyers and law firms to represent us. As a result, opposing lawyers in a matter may be a lawyer or law firm that we represent now or may represent in the future. Likewise, opposing lawyers in a matter may represent us now or in the future. Further, we have professional and personal relationships with many other lawyers, often because of our participation in professional organizations. Collectively, these situations are common in the legal field. We believe that these relationships with other lawyers will not adversely affect our ability to represent you.

DOCUMENT RETENTION

Your original hard copy documents and property, described further below, will be returned to you upon conclusion of our representation of you on a particular matter (unless they are relevant to another matter on which we continue to represent you) and, upon our receipt of payment for outstanding fees and other charges, subject to applicable Rules of Professional Conduct. At that time, you will also have the opportunity to accept the remainder of your entire client file, including lawyer work product. Some K&L Gates offices maintain files in a digital image format. If you request your file from any of those offices, we will provide it in an electronic format on a CD, DVD or other medium. Should you decide not to accept your remaining file at that time, you authorize us to destroy your files at our discretion. If you do not request the return of your file at the time your matter is concluded, we may retain or destroy the file without further notice to you.

Original documents and property, if not returned to you for any reason, will be designated for permanent retention and will not be destroyed without your prior approval. Such items include, but are not limited to, money orders, travelers checks, stocks and bonds, final executed releases, settlement agreements, contracts and sale or purchase agreements, judgments, deeds, titles, easements, wills and trusts, powers of attorney and all other dispositive estate planning documents.

You agree that our drafts of documents, notes, internal working papers, internal e-mail and electronic databases shall be and remain the property of K&L Gates LLP and shall not be considered part of your client file.

The Firm retains the right to make copies of your file, at our expense, for our own information and retention purposes.

FIRM LAWYERS' PRIVILEGE

We believe it is in your interest as well as the Firm's interest that, in the event ethical or other legal issues arise during our representation of you, including conflict of interest issues or potential disputes between us, the Firm lawyers working on your behalf are able to receive informed, confidential advice regarding their obligations. Accordingly, if we determine in our discretion that it is necessary or advisable for Firm lawyers to consult with our internal or outside counsel, you agree that they may do so and that you recognize the Firm has a lawyer-client privilege protecting the communications between the Firm lawyers working on your behalf and the Firm's internal or outside counsel.

NEW YORK FEE DISPUTE PROCESS

If any of our New York licensed lawyers work on this matter and if a material portion of the legal services we provide to you takes place in New York, you may have an option to invoke arbitration should a fee dispute arise between you and us during or at the conclusion of this engagement. Specifically, in any civil matter where the fee dispute involves a sum of up to \$50,000, you may have a right to compel resolution by binding arbitration. In addition, whether or not binding arbitration is available, both you and we are encouraged to seek resolution of lawyer-client disputes, including fee disputes, through mediation, and the New York Courts and Bar have established a program for mediation of such disputes by an impartial mediator. In the event that any fee dispute should arise in this engagement which is not promptly and satisfactorily resolved between us, we shall furnish you with further details concerning the procedures and effects of arbitration and mediation, so that you can make an informed decision as to how to proceed in the circumstances.

CLIENT RESPONSIBILITIES

It is possible that you may have insurance policies relating to the matter that is the subject of our engagement. You should carefully check the insurance policies you have purchased and, if coverage may be available, you should provide notice to all insurers that may provide such coverage as soon as possible. Although we will be pleased to assist you in assessing the potential for coverage under any policies you may have, our engagement will not include advising you with respect to the existence or availability of insurance coverage for matters within the scope of our engagement unless you supply us with copies of your insurance policies.

and expressly request our advice on the potential coverage available under such policies.

SEVERANCE OF TERMS

If all or any part of our Engagement Contract is or becomes illegal, invalid or unenforceable in any respect, then the remainder will remain valid and enforceable.

THIRD PARTY RIGHTS

No provision of our Engagement Contract is intended to be enforceable by any third party. Accordingly, no third party shall have any right to enforce or rely on any provision of our Engagement Contract.

ASSIGNMENT

A. Permitted Assignment

We may assign the benefit of our Engagement Contract to any partnership or corporate entity that carries on the business of K&L Gates-US in succession to us and you will accept the performance by such assignee of the Engagement Contract in substitution for our performance. References in these Terms (other than in this paragraph) and in any relevant engagement letter to the Firm or to K&L Gates-US shall include any such assignee.

B. Other Assignment

Subject to the foregoing paragraph, neither you nor we shall have the right to assign or transfer the benefit or burden of our Engagement Contract without the written consent of the other party.

DEFINITIONS

In these Terms a reference to a "matter" is to a transaction, case or other matter as to which at any time you have engaged us to represent you; and, any reference to "our services" is to the legal services to be provided by us to you as described in our engagement letter and any other legal services provided by us to you at any time in relation to a matter.

INCONSISTENCIES

In the event of any inconsistency between our engagement letter and these Terms, the engagement letter shall prevail.

with the Firm's Chairman or Global Managing Partner. We will investigate your complaint promptly and carefully and do what we reasonably can to resolve the difficulties to your satisfaction.

The Debtors’ principal offices are located at 1000 Westinghouse Drive, Cranberry Township, Pennsylvania 16066.

August 18, 2016 by and between WEC LLC and KLG (the “**KLG AFA**”), in compliance with sections 327(e), 328(a), 329 and 504 of title 11 of the United States Code (the “**Bankruptcy Code**”), and to provide the disclosure required under Rules 2014(a) and 2016(b) of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”) and Rule 2014-1 of the Local Bankruptcy Rules for the Southern District of New York (the “**Local Rules**”).

3. Unless otherwise stated in this Declaration, I have personal knowledge of the facts set forth herein. To the extent any information disclosed herein requires amendment or modification upon KLG’s completion of further review, or as additional party in interest information becomes available to it, a supplemental declaration will be submitted to the Court reflecting such amended or modified information.

4. Neither I, KLG, nor any member of, counsel to, or associate of the Firm represents any entity other than the Debtors in connection with the KLG Existing Matters, as set forth herein. In addition, except as set forth herein, to the best of my knowledge, after due inquiry, neither I, KLG, nor any member of, counsel to, or associate of the Firm represents any party in interest in these chapter 11 cases in matters related to these chapter 11 cases.

KLK’s Connections with the Debtors

5. KLG has a longstanding relationship with the Debtors, having represented them in a variety of matters over a period of many years. In particular, KLG has represented WEC LLC and/or its affiliates since 1986, as the company has existed through various corporate iterations, in numerous capacities and across a broad range of substantive practice areas.

6. As of the Petition Date, KLG had six (6) currently active matters open for WEC LLC (collectively, the “**KLK Existing Matters**”). The KLG Existing Matters consist of the following:

- Insurance Coverage Advice (1 matter)—KLG provides advice to WEC LLC on various insurance law and coverage-related issues, including, but not limited to, D&O insurance;
- Commercial Litigation and Disputes (2 matters)—KLG provides advice to WEC LLC in connection with a commercial litigation matter involving the company;
- Policy and Regulatory Matters (1 matter)—KLG provides advice to and represents WEC LLC in connection with various antitrust, competition and trade regulation matters, both domestic and international in nature and on topics relating to, among others, nuclear waste disposal, international product regulation and fuel sales.
- Internal Investigations (2 matters)—KLG is conducting and/or assisting WEC LLC's internal audit function in conducting various internal investigations.
- General Corporate Matters—KLG shall provide general corporate advice as request by the company and Debtors' general bankruptcy counsel. KLG shall also bill time in this category in connection with its retention and fee applications in these chapter 11 cases.

7. Many of the KLG Existing Matters are complex and have been ongoing for some time prior to the Petition Date.

8. In addition, from time to time, KLG represents WEC LLC and/or its affiliates with the follow matters: mergers and acquisitions; labor and employment claims; advice and representation in government enforcement and regulatory matters and claims; antitrust advice; nuclear waste disposal issues; international product regulation advice; and advice regarding fuel sales. It is possible that such engagements could arise during the course of these chapter 11 cases. KLG's budget and staffing plan for the months ahead will account for the Existing Matters.

KLG's Disclosure Procedures

10. KLG, which employs approximately 2,000 attorneys, has a large and diversified legal practice that encompasses the representation of many financial institutions and commercial

corporations. KLG has, in the past, represented, currently represents, and may in the future represent, entities that are claimants or interest holders of the Debtors in matters unrelated to the KLG Existing Matters. Some of those entities are, or may consider themselves to be, creditors or parties in interest in these chapter 11 cases or otherwise have interests in these cases.

11. In preparing this Declaration, I used a set of procedures developed by KLG to ensure compliance with the requirements of the Bankruptcy Code, the Bankruptcy Rules, and the Local Bankruptcy Rules for the Southern District of New York (the “**Local Rules**”) regarding the retention of professionals by a debtor under the Bankruptcy Code (the “**Firm Disclosure Procedures**”). Pursuant to the Firm Disclosure Procedures, I performed, or caused to be performed, the following actions to identify the parties relevant to this Declaration and to ascertain KLG’s connection to such parties:

- a) A list was compiled by the Debtors (the “**Conflict Party Checklist**”), which is attached hereto at **Exhibit 1**, containing the names of (i) the Debtors; (ii) the Debtors’ directors and officers, both current and former; (iii) the Debtors’ shareholders; (iv) the Debtors’ non-debtor affiliates, trade names and aliases; (v) the Debtors’ purported secured lenders; (vi) the Debtors’ consolidated top (30) largest unsecured creditors; (vii) the creditor matrix; (viii) personnel at the Office of the United States Trustee and at the Court; and (ix) certain other creditors and parties in interest, including any attorneys, accountants, or financial consultants in these chapter 11 cases, and any investment bankers who represent or may represent the Debtors, claimants, or other parties in interest in these chapter 11 cases.
- b) KLG maintains a database containing the name of each current and former client, the names of the parties who are or were related or adverse to such current or former client, and the names of the KLG personnel who are or were responsible for current or former matters for such client since 2002 (the “**Database**”). KLG maintains the Database so that it includes additional entities that become related to current and former clients.
- c) KLG compared the names included in the Conflict Party Checklist to the names in the Database to identify any matches, determine whether

such matches are current or former clients, and identify the KLG personnel responsible for such matters.

- d) Using information in the Database, and except as disclosed herein, I verified that KLG does not currently represent any entity on the Conflict Party Checklist in connection with the Debtors or these chapter 11 cases.
- e) Further, for any matter unrelated to the Debtors or these chapter 11 cases in which KLG may represent an entity in the Conflict Party Checklist, KLG does not hold or represent an interest that is adverse to the Debtors or their estates with respect to the matters on which KLG is to be employed.

**KLG's Connections with Parties in Interest in Matters Unrelated to
The Debtors, These Chapter 11 Cases And/Or The KLG Existing Matters**

12. Either I, or an attorney working under my supervision, reviewed the connections between KLG and the clients identified on the Conflict Party Checklist, and the connections between those entities and the Debtors. After such review, either I, or an attorney working under my supervision, determined, in each case, that KLG does not hold or represent an interest that is adverse to the Debtors' estates with respect to the KLG Existing Matters, for the reasons discussed below.

13. KLG previously represented, currently represents, and may represent in the future the entities described in **Exhibit 2** hereto, in matters unrelated to the Debtors, these chapter 11 cases and/or the KLG Existing Matters. These disclosures, attached hereto as **Exhibit 2**, are the product of implementing the Firm Disclosure Procedures. An entity is listed as a "Current Client" on **Exhibit 2** if KLG has any open matters for such entity or a known affiliate of such entity and attorney time charges have been recorded on any such matters within the past two years. An entity is listed as a "Former Client" on **Exhibit 2** if KLG represented such entity or a known affiliate of such entity within the past two years based on recorded attorney time charges on a matter, but all matters for such entity or any known affiliate of such entity have been

formally closed. KLG has not represented, does not represent, and will not represent any entities list on **Exhibit 2** in matters directly related to the Debtors, these chapter 11 cases or the KLG Existing Matters.

14. In addition to the foregoing, through diligent inquiry, I have ascertained no connection, as such term is used in Bankruptcy Rule 2014(a), between KLG and (i) the U.S. Trustee or any person employed by the U.S. Trustee, (ii) any attorneys, accountants, or financial consultants in these chapter 11 cases, or (iii) any investment bankers who represent or may represent the Debtors, claimants, or other parties in interest in these chapter 11 cases, except as set forth herein. KLG has not represented, and will not represent, any of such parties in relation to the Debtors, these chapter 11 cases or the KLG Existing Matters. KLG does not have any relationship with any such attorneys, accountants, financial consultants, or investment bankers that would be adverse to the Debtors or their estates with respect to the KLG Existing Matters.

15. Additionally, KLG has represented, and may currently represent, entities that hold, or may in the future hold, certain of the Debtors' debt in beneficial accounts on behalf of unidentified parties. Because distressed debt is actively traded in commercial markets, KLG may be unaware of the actual holder of such debt at any given moment. KLG also represents numerous entities in unrelated matters that may buy and/or sell distressed debt or claims of chapter 11 debtors.

16. Despite the efforts described herein to identify and disclose KLG's connections with the parties in interest in these chapter 11 cases, because the Debtors have numerous relationships, KLG is unable to state with absolute certainty that every client relationship or other connection has been disclosed. In this regard, KLG will continue to apply the Firm

Disclosure Procedures. If any new material, relevant facts, or relationships are discovered or arise, KLG will promptly file a supplemental disclosure with the Court.

KLG's Retainer, Rates, and Billing Practices

17. Over the twelve (12) months immediately preceding the Petition Date, KLG was paid approximately \$6,200,000 for services performed and expenses incurred in connection with KLG's representation of the Debtors prior to the Petition Date. This amount includes the retainer advance referenced in paragraph 17 of this Declaration.

18. During the 90-day period prior to the Petition Date, KLG received payments in the amount of \$4,664,529 for services performed and expenses incurred in connection with KLG's representation of the Debtors prior to the Petition Date.

19. As of the date of this Application, KLG holds a retainer in the amount of \$870,330.00, subject to the approval of the Court as to any use of the retainer to pay KLG's fees and expenses. This retainer is comprised of the following amounts:

- \$750,000.00, which KLG received on March 27, 2017 in connection with anticipated representation of the Debtors during these chapter 11 cases;
- \$48,002.00, which KLG received on March 28, 2017 and which KLG determined was received in connection with invoices that previously had been paid; and
- \$72,328.92, which KLG received as an estimate for services rendered between March 1, 2017 and March 28, 2017 and which, upon reconciliation, KLG determined was in excess of the actual amount due for those services.

20. KLG intends to charge the Debtors for services rendered in connection with the KLG Existing Matters in accordance with the June 1, 2017 Engagement Letter and the KLG AFA, which applies blended rates by timekeeper category regardless of the timekeeper's geographic location. Specifically, pursuant to the KLG AFA, partners and of counsel are billed

at \$700/hour, associates are billed at \$370/hour, paralegals and clerks are billed at \$250/hour and e-DAT attorneys are billed at \$175/hour. These fee rates are blended rates by timekeeper category regardless of the timekeeper's geographic location, and represent an agreed discount over KLG's ordinary local rates.

21. KLG also intends to seek reimbursement for expenses incurred in connection with its representation of the Debtors in accordance with KLG's normal reimbursement policies, subject to any modifications to such policies that KLG may be required to make to comply with the General Order M-412 (Order Establishing Procedures for Monthly Compensation and Reimbursement of Expenses of Professionals, dated December 21, 2010 (Gonzalez, C.J.)), Administrative Order M-447 (Amended Guidelines for Fees and Disbursements for Professionals in Southern District of New York Bankruptcy Cases, dated January 29, 2013 (Morris, C.J.)), sections 330 and 331 of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any further order of the Court. KLG's disbursement policies pass through all out-of-pocket expenses at actual cost or an estimated actual cost when the actual cost is difficult to determine. For example, with respect to duplication charges, KLG will charge \$.10 per page for black and white copies because the actual cost is difficult to determine. Similarly, as it relates to computerized research, KLG believes that it does not make a profit on that service as a whole, although the cost of any particular search is difficult to ascertain. Other reimbursable expenses (whether the service is performed by KLG in-house or through a third-party vendor) include, but are not limited to, facsimiles, toll calls, overtime, overtime meals, deliveries, court costs, cost of food at meetings, transcript fees, travel, and clerk fees.

22. No promises have been received by KLG, or any member, counsel, or associate of KLG, as to payment or compensation in connection with the KLG Existing Matters other than in

accordance with the provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules. Furthermore, KLG has no agreement with any other entity to share compensation received by KLG or by such entity.

23. Subject to these terms and conditions, KLG intends to apply for allowance of compensation for professional services rendered in the KLG Existing Matters, for reimbursement of actual and necessary expenses relating thereto, and for the application of any retainer balance held by KLG for the payment of such fees and expenses in accordance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules and the guidelines of the United States Trustee.

ATTORNEY STATEMENT PURSUANT TO FEE GUIDELINES

24. The following is provided in response to the request for additional information set forth in Paragraph D.1 of the Fee Guidelines.

Question: Did you agree to any variations from, or alternatives to, your standard or customary billing arrangements for this engagement?

Response: Yes. KLG and WEC LLC entered into the KLG AFA on or about August 18, 2016 and that arrangement has applied to the KLG Existing Matters. As set forth above, pursuant to the KLG AFA, partners and of counsel are billed at \$700/hour, associates are billed at \$370/hour, paralegals and clerks are billed at \$250/hour and e-DAT attorneys are billed at \$175/hour. These fee rates are blended rates by timekeeper category regardless of the timekeeper's geographic location, and represent an agreed discount over KLG's ordinary local rates.

Question: Do any of the professionals included in this engagement vary their rate based on the geographic location of the bankruptcy case?

Response: No.

Question: If you represented the client in the 12 months prepetition, disclose your billing rates and material financial terms for the prepetition engagement, including any adjustments during the 12 months prepetition. If your billing

rates and material financial terms have changed postpetition, explain the difference and the reasons for the difference.

Response: KLG represented the Debtors in the 12 months prior to the Petition Date during which KLG charged the Debtors for services in accordance with the KLG AFA.

Question: Has your client approved your prospective budget and staffing plan, and, if so, for what budget period?

Response: The Debtors are working with KLG to develop a budget and staffing plan for the Existing KLG Matters and will present such plan to the Court and the Office of the United States Trustee in advance of the hearing on the Application. Moreover, KLG will prepare budget and staffing plans for any additional matters that may arise during these chapter 11 cases. The Debtors, historically, have been involved in staffing decisions, and staffing remains their prerogative.

Coordination with Other Professionals for the Debtors

25. KLG is aware that the Debtors have submitted, or intend to submit, separate applications to retain, *inter alia*: (i) Weil, as attorneys for the Debtors; (ii) PJT Partners LP, as investment banker; (iii) AP Services, LLC, and designate Lisa Donahue as the Debtors' Chief Transition and Development Officer; (iv) Kurtzman Carson Consultants LLC, as claims and noticing agent and administrative advisor; and (v) Togut, Segal & Segal LLP as counsel to Debtor Toshiba Nuclear Energy Holdings (UK) Limited. Weil has represented that it intends to carefully monitor and coordinate the efforts of all professionals retained by the Debtors in these chapter 11 cases, including any conflicts counsel, and will delineate their respective duties so as to prevent duplication of services whenever possible.

26. The foregoing also constitutes the statement of KLG pursuant to Sections 329(a) and 504 of the Bankruptcy Code and Bankruptcy Rule 2016(b).

I declare under penalty of perjury that, to the best of my knowledge and after reasonable inquiry, the foregoing is true and correct.

Lisa J. Donahue makes this declaration under 28 U.S.C. § 1746:

1. I am the Chief Transition and Development Officer of Westinghouse Electric Company, LLC (“**Westinghouse**”). In my current role at Westinghouse, I am responsible for supervising outside counsel and monitoring and managing legal fees and expenses.

I submit this Declaration in support of the Debtors’ application (the “**Application**”), pursuant to sections 327(e) and 328(a) of the Bankruptcy Code, Bankruptcy Rules 2014(a) and 2016, and Rule 2014-1 of the Local Bankruptcy Rules for the Southern District of New York (the “**Local Rules**”), the Debtors for authority to employ and retain K&L Gates LLP (“**KLG**” or the “**Firm**”) as special counsel to the Debtors for those certain matters discussed more fully in the Application *nunc pro tunc* to the Petition Date.²

3. This Declaration is provided pursuant to Paragraph D.2 of the *United States Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases*, effective November 1, 2013 (the “**Fee Guidelines**”). ² Capitalized terms not otherwise herein defined shall have the meanings ascribed to such terms in the Application.

5. In addition, from time to time, KLG represents WEC LLC and/or its affiliates with the follow matters: mergers and acquisitions; labor and employment claims; advice and representation in government enforcement and regulatory matters and claims; antitrust advice; nuclear waste disposal issues; international product regulation advice; and advice regarding fuel sales. It is possible that such engagements could arise during the course of these chapter 11 cases. KLG's budget and staffing plan for the months ahead will account for the Existing Matters.

6. Many of the KLG Existing Matters are complex and draw upon and necessitate a global and full-service platform and capabilities, such as are offered by KLG. Moreover, given KLG's familiarity with the Debtors and its operations and engagement on behalf of Westinghouse in connection with the KLG Existing Matters prior to the Petition Date, the Debtors believe that KLG is uniquely qualified and able to represent the Debtors and to do so in a cost-effective, efficient and timely manner.

7. Indeed, if the Debtors are required to retain different counsel for the KLG Existing Matters, the Debtors will have to expend significant resources and expense in ensuring that new counsel become familiar with the Debtors' business affairs and the KLG Existing Matters.

8. As Chief Transition and Development Officer, I have carefully reviewed and am familiar with the terms of KLG's engagement on behalf of the Debtors. KLG has confirmed to me that the Firm does not vary its billing rates or the material terms of an engagement depending on whether such engagement is a bankruptcy or a non-bankruptcy engagement. KLG has also advised me that it intends to charge the Debtors for services rendered in connection with the KLG Existing Matters in accordance with an alternative fee

arrangement entered into on August 18, 2016 by and between WEC LLC and KLG (the “**KLG AFA**”), pursuant to which KLG billed Westinghouse for services rendered in connection with the KLG Existing Matters prior to the Petition Date. Specifically, pursuant to the KLG AFA, partners and of counsel are billed at \$700/hour, associates are billed at \$370/hour, paralegals and clerks are billed at \$250/hour and e-DAT attorneys are billed at \$175/hour. I understand that these fee rates are blended rates by timekeeper category regardless of the timekeeper’s geographic location, and represent an agreed discount over KLG’s ordinary local rates. KLG has further advised me that it will inform the Debtors of any adjustment to the rate structure described above.

9. I understand that KLG’s fees and expenses will be subject to periodic review on a monthly, interim, and final basis during the pendency of these chapter 11 cases by, among other parties, the Office of the United States Trustee, the Debtors, and any official committee appointed in these chapter 11 cases in accordance with the terms of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any orders of the Court governing the procedures for approval of interim compensation of professionals retained in chapter 11 cases.

10. As Chief Transition and Development Officer of the Debtors, I coordinate, along with the Corporate General Counsel organization, and manage legal fees and expenses incurred by the Debtors’ outside counsel. Either I or a senior lawyer in the legal department working with me personally review the Debtors’ outside counsel invoices and authorize all legal fees and expenses prior to the payment of such fees to outside counsel. The Debtors will regularly monitor the fees and expenses of KLG to ensure that KLG’s professionals are assisting the Debtors in the most cost-effective and efficient manner. In doing so, I assure that all requested fees and expenses are not unreasonable and correspond with necessary or beneficial

services rendered on behalf of the Debtors and their estates. The aforementioned review and approval process does not differ when the Debtors employ outside counsel for non-bankruptcy cases. Moreover, KLG has informed me that the Debtors will be provided with the opportunity to review all invoices and request adjustments to such invoices to the extent that the Debtors determine that such adjustments are necessary and appropriate, which requests will be carefully considered by KLG. The Debtors will employ procedures for reviewing professional invoices similar to those that they have employed prior to the commencement of the chapter 11 cases.

11. Additionally, on behalf of the Debtors, I will approve the prospective budget and staffing plan. I will continue to review the invoices that KLG submits.

I declare under penalty of perjury that, to the best of my knowledge and after reasonable inquiry, the foregoing is true and correct.
